### **School Sports Funding Report 2017-2018**

Ofsted's last national report into Physical Education (PE) noted that a major weakness in some primary schools was the lack of specialist subject knowledge among teachers. There was also clear evidence of a lack of pupil's participation in sports competitions, festivals and extra-curricular sports clubs, including those at lunchtimes and before school. It was found that even in schools known to have strong practice in PE, there is further need to develop teacher's knowledge and skills and that these schools should allow children to partake in competitions or sporting activities more frequently.

Therefore, the government is providing additional funding of £150 million each year from 2013-2016 to improve provision of physical education and sport in primary schools. In 2017, the school now receives double the funding from previous years.

For the academic year 2017-2018 we will receive a total of £18,580. The allocation is spread across the year in two payments with the first being £10838.33 and the second consisting of £7741.66 with the total funding received being £18,580.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school.

At Bassingbourn Community Primary School we strongly believe in all children having access to a broad range of sporting opportunities, both within the school day and outside of it, through an exciting range of clubs and lessons designed to inspire competitiveness and healthy lifestyles. Our PE curriculum is designed to teach key fundamental skills throughout Key Stage 1 and key skills within a range of sports in KS2 through a progression of skills and whole class matches in lessons and against local schools. We believe that Healthy lifestyles inspire team working, ambition and drive which in turn will promote mental and economic wellbeing in later life.

### **Key achievements to date 2017-2018:**

- All children have had an opportunity to learn to swim in a safe and controlled environment this will continue this year in the summer term
- Sports TA organised a range of in house sporting competitions for children
- We have doubled the opportunities for children to participate in external clubs after school these range from, gymnastics, archery, football rounders, athletics and netball
- We have 35 student sport ambassadors who help make play times active and run lunch time clubs to KS2 and KS1 children
- The whole school has completed a range of Change4Life sessions with children making pledges of one way to be more active and healthy in their lives along with school staff
- Successful completion of the Schools Game Mark ( Silver Award).
- Year 5 children trained to become play leaders who deliver active games and activities to KS1 every lunch time
- Bassingbourn has entered 36 teams into competitive competitions
- Since 2016-2017 we have tripled the amount of children participating in afterschool clubs by reaching out to a different external provider, who could provide children with more variety of sports to participate in
- Bassingbourn Primary has taken 236 pupils from KS2 to competitive competitions throughout the year

### **Bassingbourn Community Primary School Swimming Information**

For the 2017 to 2018 academic year, there is a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

<b><u>Meeting national curriculum requirements for swimming and water safety</u></b>	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	90 % (taken from year 5 swimming assessments, to be updated in summer)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	87% (taken from year 5 swimming assessments, to be updated in summer)
What percentage of your current Year 6 cohort perform safe self-rescue in water-based situations?	96%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming this can be to provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum. Have you used it in this way?	Yes this year 14 children from year 5 and 6 were sent to top up swimming lessons, where they were coached by professionals to achieve their 25 meters as stated within the national curriculum.
