

Dear Parents and Carers,

As we approach the end of another year at school, we would like to take this opportunity to thank you all for your continued support and involvement in our school community. It has been a pleasure to see your children grow and thrive throughout the year.

I would also like to express our sincere gratitude to the staff, who have worked tirelessly to provide the best possible education and care for our pupils. They have shown dedication, creativity, and resilience throughout the year, and have gone above and beyond to make learning fun and meaningful for every child. We are saying goodbye to some staff members. It's sad to see them leave, however we thank them for their hard work within school and wish them all the best in the future.

Sports days this year were real hit. The children were great sports, cheering on their teams as well as the others, showing off their skills and most of all enjoying the experience. It was great to see so many parents and carers. I hope you all enjoyed it as much as the children and staff did.

As we say goodbye to our Year 6, we are confident that they will continue to shine in their new secondary schools, and we wish them all the best as they take this next exciting step.

Looking forward to next year we are eager to welcome Ms. Luu as our full -time head teacher in September. Our staff and governors have been working developing our strategic objectives for the next few years, and we hope to invite all parents to an open session, where we will present our vision and key priorities for the upcoming year. With trips and experiences already in planning there is lots for the children to look forward to in the year to come.

Five Key points from our recent Governors Meeting:

1. We recognise the hard work all the staff team and governors have put in this year and would like to thank them for all their efforts
2. The increase in afterschool provision
3. The new Maths programme to be launched in September
4. The improved attendance
5. A full teaching team ready for September

I hope you all have a wonderful summer break with your families, managing to make lots of happy memories, and I look forward to seeing you again in September.

Yours sincerely,

Ali England and the Governing Body
