*Dear Parents / Carers*

*Happy New Year and welcome to the Spring term! I hope that you have had a wonderful Christmas break. It has been lovely to see our pupils back to school this week happy and eager to learn. We have an exciting term of learning ahead which you will read all about in the Curriculum Newsletter for each year group. As always, you play an important role in supporting your child's learning progress. Please do speak to your child's class teacher if you want to find out more information about your child's progress and how you can further support them at home.*

*As the start of the new term, it is a good opportunity for you to inform us of any changes such as change of address, your contact details, school run arrangements, including the bus schedule. This way, we can ensure our records are as accurate as possible. If in doubt, please do get in touch with the school office to check the information we currently have for your child.*

*Have a lovely weekend,*

Ms Luu  
Headteacher

## EYFS News

We have had a great start to the new year and the spring term in Reception. The children have all settled back into school routines well this week and have enjoyed beginning our new topic looking at different countries. This week we have begun finding out about Jamaica- what the weather/climate is like, what animals we might find there and the types of activities people living here might do. We are looking forward to continuing our work on this in the coming weeks.

We have also enjoyed finding out a little more about our class artists- Claude Monet and Katsushika Hokusai. Both classes have been creating artwork linked to pieces by their artist.

Hokusai and Monet Class.
