Dear Parents / Carers

It has been such a positive start to the term. Children have returned to school with excitement and engagement. We have also welcomed our new Reception pupils to their first full week in school. They have settled into the school routines seamlessly with so much independence. A truly impressive beginning for all!

Our new School Improvement Advisor, Lisa Valla, visited the school alongside Ali England, our Chair of Governors this week. Both Mrs Valla and Mrs England commented on the calm and purposeful the school environment and the implementation of our new curriculum.

It was great to see many parents and carers this week during our 'Meet the Teacher' meetings. We hope that you have found the meetings informative. For those who did not have a chance to attend the meeting, the presentations will be uploaded on the class webpage.

Thank you for your ongoing support as you have helped to make the start of the year such a success. Our gratitude also goes to the staff team for all their hard work in getting everything up and running so quickly to benefit all pupils in school.

Headteacher
