14th June 2024

Dear Parents / Carers

This week Year 3 visited Stotfold Mill where they had an amazing time having a tour of the mill, looking at the gear system within the mill and made their own flour. They also visited the nature reserve and carried out a scavenger hunt.

Library update - recently the library has moved from outside of the Year 4 classrooms to inside what was formerly known as the Activity Hall. We are really pleased with the relocation of the library to this space as it not only allows for additional teaching areas outside of the Year 4 classrooms but also allows for more space in the new library for the children to spread out and share the books available to them.

Disco time - as we write this the Main Hall is being set up for tonight's disco. The children have been talking about this excitedly throughout the whole week and we have overheard many conversations about what they will be wearing, what and how they will be dancing. We are certain that this will be an enjoyable event and our thanks to all staff who were able to stay to help and to FOBS for organising the event.

We are really looking forward to the sports days next week, and welcoming you on site. You can find details of the sports days further on in the Newsletter.

Have a lovely Weekend,

Ms Luu
Interim Executive Headteacher
