Within the Reception Downloads Tab on the Reception page of the school website there are all the sheets and resources that you will need to complete and support your child during home learning. It is expected, while at home, that your child completes work each day so that they are continuing to follow the curriculum and develop their learning until they return to school.

Please upload the work your child has completed **each day** to Class Dojo so that your child's class teachers can provide feedback.

If you have any questions, concerns or need extra support please email the class email address.
